Press Release - 11 November 2026

Medical Care Update (Mr Imran Ahmed Khan Niazi)

Mr Imran Ahmed Khan Niazi was brought from Central Jail Adiyala, Rawalpindi, to the Pakistan Institute of Medical Sciences (PIMS), Islamabad, during the intervening night of 10/11 November 2026 for a medical check-up and follow-up eye treatment, as advised by the treating ophthalmologist.

Prior to the procedure, he underwent a medical examination, including occular assessment. His vital parameters were found to be normal. He was clinically stable, and his general physical examination was normal.

After obtaining informed consent and adopting standard monitoring, precautionary measures and clinical protocols, he was administered an intravitreal anti-VEGF injection by the ophthalmology team.

During his stay at PIMS, he remained vitally stable before, during and after the procedure. He was discharged at approximately 0230 hours, with necessary instructions for further care and follow-up.
